**NOTES**

- All instructors will give a comprehensive final exam or hold a meaningful culminating activity, representing a significant portion of the student's grade in the class.
- Comprehensive evaluation requires comprehensive preparation on the part of students; both are excellent learning activities, especially for the college-bound student.
- Two-hour and 5 minute exams allow for thorough evaluation in both academic and lab classes.
- All students must be present in all classes according to the final exam schedule.
- No breaks outside of the classroom are to be given during the two-hour session.
- Afternoons are needed by students for study.
- Zero "0" period classes have been arranged outside of the exam schedule with the appropriate teachers, to lessen the impact on this final exam schedule.
