### **IMPORTANT CONSIDERATIONS FOR FINAL EXAMS. PLEASE NOTE:**

1. All instructors will give a comprehensive final exam or hold a meaningful culminating activity, representing a significant portion of the student's grade in the class.
2. Two-hour exams allow for thorough evaluation in both academic and lab classes.
3. Comprehensive evaluation requires comprehensive preparation on the part of students; both are excellent learning activities, especially for the college-bound student.
4. All students must be present in all classes according to the final exam schedule.
5. No break outside of the classroom are to be given during the two-hour session.
6. Afternoons are needed by students for study.
